PRODUCT LINES

Frameless kitchen cabinets

Wall, base, tall and corner cabinets in standard widths from 9" to 36", plus panels, fillers and toe kick. Width, height and depth can be changed cabinet by cabinet.

Bathroom vanities

Floating vanities and floating drawer vanities, plus floor-standing vanities and vanity drawer bases, in the same finishes as the kitchen.

Closet systems

84" modules 18"–36" wide in 15", 21" or 24" depths: hanging, shelving, drawers and shoe shelves, in white, wood-grain and textured finishes.

HIGOLD storage hardware

Closet pull-out baskets and boxes, trouser racks, rotating shoe racks and pull-down rods; kitchen waste-bin pull-outs and lift baskets. Chosen per cabinet in the portal.

WHY THE TRADE WORKS WITH OCEAN

Made here, so we can make it fit

Panels are cut, edge-banded and drilled on CNC equipment in our Vineland factory. Odd sizes are part of the job.

One look, every room

The same doors and finishes run through kitchen, bath, laundry and closet, so a whole home matches.

Order online, any hour

Quotes, 3D previews, live pricing, order tracking and messages with our office, all in the dealer portal.

WHAT THE DEALER PORTAL DOES

- **Quote with live pricing.** Build each cabinet and see the price update as sizes, finishes and hardware change.
- **3D preview.** Show your client the finish and layout before ordering.
- **Built to the job.** Width, height and depth per cabinet; door color, drawer layout and options per unit.
- **Closets room by room.** Lay out closet modules and see the price as you go.
- **Estimated ship date** on every order, so you can give your client a date.
- **Order tracking and messages** with our office, kept with the order they are about.
- **Documents and invoices** in one place.
- **Parts requests.** Report a damaged or missing part with a photo through the order.

HOW TO BECOME A DEALER

1. **Apply online.** Company and contact details, address, business type, resale certificate number and roughly how many kitchens or closets you sell a month.
2. **We review your application.** Every application is reviewed by our team.
3. **Set up your login.** Once approved, you receive a link to set your password and start quoting.

WHO WE WORK WITH

Kitchen and bath showrooms, cabinet shops, contractors and remodelers, builders and developers, designers and architects.

LEAD TIMES

Most orders are made in 5–7 business days once the deposit or payment is confirmed. The estimated ship date shows on every order in the portal.

DELIVERY OR PICKUP

We deliver within 100 miles of Vineland, NJ, to your showroom or straight to the jobsite, or you can pick up at our Vineland factory. Farther out? Contact us.

SIZES AND RECEIVING

Every cabinet is built to the dimensions on the confirmed order. Check each delivery against the packing slip and report damage or shortages within 48 hours, with a photo, through the order.

WARRANTY

Owner-occupied homes: 5 years

5-year limited warranty against defects in material and workmanship for the original owner who bought through an Ocean dealer or contractor.

Rental and commercial: 12 months

12-month limited warranty for rental units, landlords, leasing companies and other commercial purchasers.

Labor and shipping are not covered. Claims go through you, the dealer: submit them in the dealer portal with photos and the order number. Full terms are on our website's warranty page.
